◆ Gifted Programme Introduction

As one of the core programmes in the Leadership Training Programme Series 2025/26, this workshop focuses on the theme of inclusion.

To truly understand the experiences of individuals with disabilities, there is no better way than to step into their shoes. Students will navigate various community tasks using wheelchairs, gaining firsthand insight into the significance of accessible facilities. They will alternate between the roles of wheelchair user and caregiver, fostering an appreciation for the unique emotions and challenges associated with each perspective. Through reflection, students will explore their own roles in promoting inclusivity and actively practise the principles of integration.
