Future Financial Talents

Certified Financial Social Worker from
Hong Kong Family Welfare Society –
Financial Education Centre

Application Deadline

13 February 2026

12:00 noon

Intended Learning Outcomes

Upon completion of the gifted programme, gifted students should be able to:

1. explain career pathways and key entry requirements in major industries;
2. recognize different financial and investment tools, including MPF, stocks, bonds, and insurance;
3. apply basic financial planning skills to make informed choices about future career and personal goals.

◆ Gifted Programme Introduction

The talk adopts various financial approaches as its entry point, utilizing common financial issues faced by participants as themes. Through inquiry-based learning, scenario-driven activities, and guided reflection, it aims to enhance participants' financial values and awareness, teach fundamental money management concepts including income, savings, spending, and donation, and impart practical financial skills. Furthermore, it strengthens their financial awareness, practical money management abilities, scam-prevention mindset, and financial planning concepts.
