1. describe how can give back to the academy as an HKAGER
2. promote and strengthen connections with HKAGER and students.
3. further enhance leadership skills through reflective sharing with peers

◆ Gifted Programme Introduction

The Leadership Training Programme - Student Ambassador is one of the core programmes in the Leadership Training Programme Series. It aims to develop emerging young leaders within the HKAGE community by providing authentic leadership, service, and public engagement opportunities across major Academy events. Through structured training, progressive leadership roles, and meaningful interactions with experienced ambassadors and HKAGER mentors, the programme nurtures students' confidence, communication competence, professionalism, and commitment to community contribution.

The Sharing Session invited four HKAGER from different sectors to share their leadership insights and mindsets, reflections on personal growth, successful leadership experiences, and strategies for overcoming challenges. HKAGER with leadership backgrounds from various fields are also welcome to participate.

The session aims to facilitate in-depth communication between students and HKAGER, enabling students to gain a better understanding of industry development trends and to foster their self-reflection and enhancement of leadership abilities.
