Intended Learning Outcomes

Upon completion of the programme, participants should be able to:

1. Improve plannings and skills in multiple aspects, including bidding, play, and defense;
2. Apply logical thinking skills in making decisions in the game;
3. Build trust and teamwork among partners and teammates.

◆ Gifted Programme Introduction

The course aim to provide advanced training for students with prior knowledge in contract bridge and form a school team. School team members will undergo advanced training to strive for the opportunity to represent the academy in competitions. During the course, we would continue to have lecture on more efficient bidding system, declarer play technique, defense signal and strategies; practical timeslot would be included every session. There would be 3 phases (Phase I to III) throughout the year for school team members who are attending their 2nd year of training. Throughout the training period, at least one competition opportunity with external teams would be arranged. The format of the competition would be friendly match with other secondary school students or even open tournament.

Bridge is the game of logic. It also the game of calm and partnership. Students' emotional intelligence, resilience, and communication skills will be improved greatly through the mill of training and competitions.
