# Architectural Talk (Level II): Think and Design like an Architect

Mr Vincent YEUNG

**Application Deadline**

**15 Jul 2026**

**12:00 noon**

## **Intended Learning Outcomes**

Upon completion of the gifted programme, gifted students should be able to:

1. understand the relationship between architecture, urban planning, and the environment;
2. explore how architecture addresses social and environmental needs;
3. identify essential skills and competencies for a career in architecture.

## ◆ Gifted Programme Introduction

Step into the future of architecture and cities, and discover the limitless possibilities of smart design and forward-thinking urban innovation. In this inspiring talk, you will explore how technology and creativity are reshaping the way we live and how our cities evolve—from cutting-edge urban solutions to more sustainable ways of living. At the same time, the speaker will share the journey to becoming an architect, unveiling the essential skills, learning pathways, and opportunities that can transform passion into a fulfilling professional career.
