2. analyze and evaluate the alignment between relevant academic disciplines and their own strengths, interests, and potential career pathways.
3. enhance readiness for career planning and decision-making

◆ Introduction

The "Career Development Workshop – Summer Academy 2026" is designed to empower students with essential skills, bridging the gap between academic knowledge and professional career planning. This workshop is specially tailored for students who are interested in exploring career pathways in Chinese and Social Sciences.

The workshop consists of two key components:

1. Classroom experience.

Through guided sessions ranging from historical wisdom to modern psychology, participants will explore how these disciplines shape thought patterns and drive social change. This interdisciplinary exposure to the humanities and social sciences aims to cultivate critical thinking, creativity, and intellectual insight.

2. Experiential Learning

Participants will engage in a variety of out-of-classroom activities to gain a firsthand experience of the vibrant and multifaceted university life at HSUHK, further broadening their perspectives.

*Lunch will be provided by the HSUHK.
