# Trendy Academic Talk Series

## ◆ Gifted Programme Introduction

GreenLink is jointly organized by the Environmental Campaign Committee and the Ecology Bureau, aiming to provide a one-stop dedicated support service to enhance environmental awareness and promote knowledge of carbon neutrality. The environmental education activities offered cover topics such as low carbon living, natural mosquito repellent, etc. Gifted students will have the opportunity to gain in-depth understanding of environmental issues, cultivate environmental awareness, and learn how to achieve carbon neutrality in daily life. This talk includes several hands-on activities in which students can learn actively.
